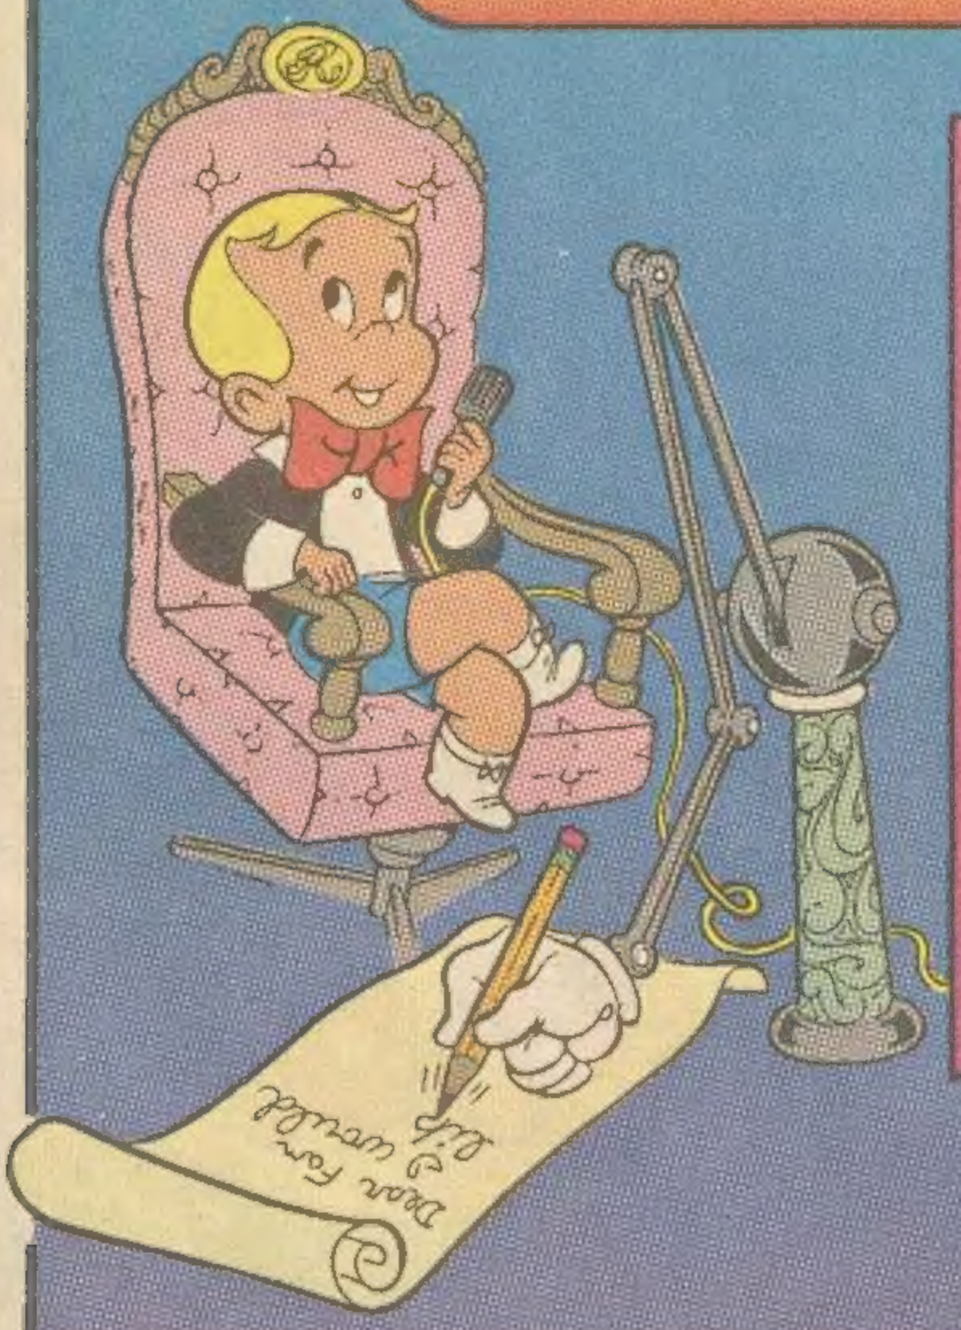
Harvey Mailbox



Dear Sir,
I am 12 years old and a great fan of yours. Richie Rich and other Harvey comics are costly here. But as I can afford it I buy it. I would like you to make a good deal with Indian comic businessmen and send some here because we always get 2 years old comics. If you are sticking your letter on your book please answer and tell the number of the book so that after two years I can read it.

Your Loving Fan, Reejo Lacharia
Bombay, India

Dear Reejo,
2 years is a long time to wait! Maybe Casper can fly over and drop one off. He's faster than airmail and almost as reliable. We would hate to wait two years to hear again from such a big fan!

To Whom It May Concern,
I am enjoying all of my favorite Harvey comics as I usually do and so far have liked some of the improvements such as the better quality paper and brighter colors. However, you shouldn't rest on your laurels because of this. I really do want to see the Letter Page put back in your comics.

Cordially, Steven Acevedo
Bronx, New York

Dear Steven,
As you can see, we definitely agree! You and all the other readers who wrote to ask about a letter page have helped us make Harvey comics better (besides, we all want more mail!). Thanks for noticing the difference, and keep reading Harvey!

Dear Harvey,
If you're wondering why I like Richie Rich so much it's because I think he's great. He's not selfish about his money and shares a lot. I wish I knew him in person because I think he's the nicest boy in the world.

By, Brooke Schoen, Age 10
Minnesota City, Minnesota

Dear Brooke,
Richie's blushing too hard to answer himself, but he thinks you must be pretty great to write such nice things. With fans like you, Richie can never be poor.

Dear Sir,
When my daughter was a little girl, she absolutely adored a cartoon called "Baby Huey". He was a big goofy duck that wore a diaper. My daughter, now 30, has a one year old daughter of her own, and ever since she was born, she has called her the nickname of Baby Huey. I cannot find a toy or even a picture of the cartoon character. I would appreciate it if you would contact me with information.

Sincerely, Joan Nakash
Jamesburg, New Jersey

Dear Joan,
I'm sure your granddaughter isn't as big and clumsy as Baby Huey, but I'll bet she's just as lovable. Luckily, Baby Huey will have his picture in his very own comic book starting this summer! Why not start a collection for her?

We can't wait to hear from you...
